Son Brull – Llubí loop

THE RIDE: 58.8 km with 500 meters climbing

You'll ride along the agricultural center of the island where farmland and orchards are lined with the lovely dry stonewalls that Mallorca is known for. We suggest you stop in Llubí for a coffee and snack. The way back takes you through charming villages like Bugar and Campanet, and through quiet roads amongst the foothills of the Tramuntana adorned by the fields of olive and almond trees all the way to Son Brull.

Level: Moderate (relatively flat ride for people with at least some cycling experience and training)

Recommended start: 930 am (for arrival back in Son Brull for lunch at 1230-1300)
